

JORGE CROTTA

Jorge Crotta was born and raised in Mendoza. He graduated with honors from the National University of Cuyo, the most important business school in Mendoza.

He started his professional career in Bodega Salentein where he worked for 3 years, and the next 7 years at Catena Zapata developing the international business.

In 2013, he joined the projects of Alejandro Sejanovich and Jeff Mausbach to become a partner in the management and winemaking team.
